13 APR 1962

Gentlemen:

1. This document constitutes Amendment No. 1 to Contract No. AF33(657)-7344 which provides for the services of a Senior Engineer for the support of System 8X.

2. By mutual agreement between the parties hereto it has been determined that the services of the Senior Engineer will no longer be necessary and the contract will terminate effective 31 March 1962, by which date it was estimated the Contractor would have had time to return the Senior Engineer to its plant and submit its final billing under the contract.

3. As the result of the above, the date "30 September 1962" appearing in line 2 of PART III - PERIOD OF PERFORMANCE of the contract schedule is deleted and the date "31 March 1962" is substituted therefor.

4. Upon receipt of Contractor's final invoice and completion of site audit as required by Clause 4 - PAYMENTS of the General Provisions, and receipt of Contractor's release, the contract will be closed out.

5. Please indicate your receipt and acceptance of this Amendment No. 1 to the contract by executing the original and two copies thereof. Return the fully executed original and one copy to the undersigned and retain the remaining copy for your files.

Very truly yours,
